UPCOMING EVENTS

"No one fully understands why some people suffer more than others. We do know that this world is in the grip of evil, and Satan's supernatural force over mankind often blocks God's plans. However, we need to be careful not to blame God for everything that happens in our life, especially the bad things. God is already in the battle against evil and one day His victory will be complete. The death, burial and resurrection of Jesus Christ sealed Satan's grip on the earth. That should give us hope and comfort. --Randy Fagg
